

This all happened under Mao's successor, Deng. He was clearly the West's man.....

8. The HKSCC is a similar account to the BOEN (as all Nominees' accounts are). They are entirely private (secret) accounts where the elite heads of state can invest in everything from the world's banking institutions to the world's largest energy and resource corporations.

9. Since the Chinese accepted the "legal person" as a fundamental of their jurisprudence, it has allowed our elite (our Presidents, Prime Ministers, Monarchy etc) to invest in Chinese banks and corporations entirely secretly.

10. Having achieved this change in the Chinese legal system and now having their money investing and controlling shareholdings in Chinese banks and corporations, they can also offshore the jobs of the west's multinationals thereby reducing labour costs to a minimum.

11. Ok this is obvious as we know. BUT our elite have "sold" to us the idea of globalism as being to create ease in doing business and, therefore, creating jobs for us and allowing an easier flow of people between countries (ala the EU). Certainly the ease of flow of people is obvious and documented BUT has it provided more opportunity and wealth FOR any of these people? Yes for those coming into Britain and America – relative to their home state – but it has not had the effect of increasing prosperity on the aggregate. It has had the opposite effect.

12. The reality is that, yes, the "globalism" has made doing business easier but for whom? The BUSINESS/CORPORATE/MULTINATIONAL OWNERS.

13. It has reduced their costs by offshoring – made capable by introducing the legal person into chinese law.

14. It has, therefore, reduced the numbers of employed in the west. This results in people taking jobs which pay peanuts just to live and make ends meet.

15. Who OWNS the CORPORATIONS? The investors do! Who are the investors in the major chinese banks and corporations? HKSCC – a FOREIGN LEGAL PERSON and, of course, the Chinese government and elite.

16. The western leaders "cry" about the rise of China BUT it is THEIR personal investments in it which has created that rise. They then turn to us and say we must be more competitive – which means our salaries go DOWN! So they are then the investors in corporations and businesses at home and achieve reduced costs and higher and higher profits therefore. PLUS, they are invested in China in their banks and corporations and make even bigger profits due to the low wages. They work on this over time and the result is this: The world's labour costs are evened out across the board and they are at the LOWEST common denominator.

It's like this:

The investor class (elite) take ownership shareholdings in banks worldwide. It is, of course, these banks which provide the liquidity (including interest) to the corporations of the world which these same investors are invested in. They, therefore, own the capital AND the labour. Why do multinational corporations hardly pay an ounce of tax? Because the banks want all the profit. Who do governments borrow from? The Banks!

The Nominees accounts are secret because what is happening is that our elite are absolutely destroying people's lives for their own profit. YES we know that but what I'm showing you here is HOW they do it. These nominee accounts have VAST sums invested in all banks and all corporations. To ensure that the corporations make the profits they make, the elite destroy the "mom and pop" businesses, the small and medium businesses, by "choking" their liquidity cashflow. That's why our high streets are dying and it is the large TESCOs and major multinational supermarkets which are providing everything from clothes to food. furniture (IKEA) etc etc etc.

THE NOMINEE ACCOUNT SHAREHOLDERS MUST BE SECRET BECAUSE, IF THEY WERE NOT, PEOPLE – THAT IS THE MAN IN THE STREET WHO HAS LOST EVERYTHING AND ALSO THE SMALL/MEDIUM SIZED BUSINESSMAN (PERHAPS WORTH A MILLION OR TWO) WOULD SEE THAT THE VERY PEOPLE

But the bottom line is this: Our own Heads of state and elite (bankers/politicians) are SCREWING US while they smile in our faces.
